

# WERONIKA SOSNOWSKA

Junior Software  
Developer

## PERSONAL PROFILE

I am a young programmer with  
more than 1,5 year of experience.

I have worked both in small teams and in big  
ones which were up to 20 people.

During my projects I also cooperated with  
other departments and directly with clients.

Never scared to reach out for help.  
Ambitious and motivated and  
looking for new challenges.

## TECHNOLOGIES

Java  
Basics in Spring  
Maven  
Hibernate  
SQL (PLSQL i MS SQL)  
HTML, CSS, JavaScript  
GIT, SVN

Programming patterns
